New QuadMKE training facility a superb addition for Century City

Statement of Alderman Khalif J. Rainey
July 24, 2023

I am pleased that very recently, **QuadMKE**, one of our city's valuable corporate partners, officially launched their new training facility at Century City Tower at 4201 N. 27th St. This is a great opportunity for the 7th Aldermanic District and our community, as the facility will recruit and train residents in job skills and financial literacy.

Through these efforts, QuadMKE will not only forge meaningful and lasting connections within the community, but also help residents overcome barriers to stable employment. This training center represents a significant step forward for our city, and I would encourage all interested residents to check out their wonderfully beneficial programs.
